VOLUME X. CEDAR RAPIDS, IOWA, JANUARY, 1902. NUMBER 1

SAM BRIGGS,

POTENTATE OF AL-KORAN TEMPLE N. M. S. FROM 1876 TO 1901 AND STILL AT IT.
IMPERIAL POTENTATE 1886 TO 1892.

"Tis a happy thing to be the father
unto many sons."

WE have no intention of trying to break over our practice, if we had the data to do so, of giving a biographical description of the noble and versatile gentleman whose face, true to life, we give in this number. For ten years we've met him at the Imperial Council sessions of the Mystic Shrine and we simply say he's too well known to need an introduction to our Shrine readers. It is to his generosity that we are indebted for the use of the above illustration.

Now, Sam is a great literary "cuss," seeking out of the musty tombs the rarest and *barest* beauties of the authors who reveled in the days when the things now almost sacred to us were caricatured unmercifully. Some of the most rabbid anti-secret society tirades and exposes can be easily traced to some of the imaginary

and impossible things pretended to have been done in the "tyled lodge."

"Entertainment for a Winter's Evening," by Joseph Green, b 1706; d 1780, to which is appended "A Mournful Lamentation for the Death of Mr. Old Tenor," a "Hymn by Rev. Mather Byles" with a satiric response by Green, a"Parody by Mather Byles" and a "Song" is a collection of the same class of old wit as other collections made by our friend of

"The cheerful heart and a merry eye."

We regret that space will not permit our publishing the two copper-plate cuts, which Mr. Briggs so kindly loaned us, and which are included in "To my friends and associates, and brethren of the Masonic Fraternity." We must inform our readers that "Sam" was loth to allow us the use of his portrait—because of his diffidence to court notoriety—but when we assured him that only a limited number of individuals ever read our paper he immediately relented.

"AL-KORAN, THE GOLDEN."

Sam Briggs' Temple, Cleveland, O.

Twenty-five years ago, according to the historical sketch sent us from the office of Sam Briggs, Potentate and Recorder, Cleveland, Ohio, 1901, we learn that on 21st Shawwal 1329, or October 21, 1876, William J. Florence communicated the order N. M. S. to Sam Briggs and Brenton D. Babcock at the Euclid avenue opera house, Cleveland, Ohio. In the twenty-five years they have held 154 observances.

Their total creations have been 1376, affiliated 22, total 1398. Sam Briggs is their first and only Potentate and since 1890 he has been Recorder as well. Al-Koran was the first to confer the order with full paraphernalia and did confer the same on Noble Charles H. Heyser, then, as now, High Priest of Mecca (Mother) Temple.

To us the most praiseworthy feature of this most dynamic of the earlier Temples is the "Widows Fund," started in 1896. It now has

Total Membership April 30	529
Total Deaths since organization	19
Amount paid beneficiaries	$8096.00
Average amount paid each	426.10

The sum of $2.20 creates any Noble of Al-Koran a member. A sum equal to $1 for each member is paid to beneficiaries and the assessments have been laid at $1.10 whenever the funds require re-imbursement.

In plain, during the past five years there have been nineteen deaths, or taking the present membership as the basis, it has cost less than $4 per year to provide this increasing benefit.

It will always grieve us that our effort to introduce this feature into our home Temple was frustrated by the appointment of three Nobles on a committee, who reported adversely (1897), each one of whom was the *representative of an insurance organization not one of which are in existence today.* But what is past cannot be recalled. Long live Al-Koran the Golden—the example to all other temples.

"By thy sweet care, dry the lone widow's tears and still the orphan's cry."

Among the Lodges.

Marion lodge No. 6, Marion, has elected the following officers for the ensuing year: J. N. North, W. M.; W. C. Bell, S. W.; R. S. Knowlton, J. W.; Ben R. Reichard, Secretary; Fred Sciminsky, Treasurer; Geo. B. Reichard, S. D.; Percy Griffin, J. D.

December 17th Hon. A. B. Cummins, governor elect of Iowa, was raised in Capitol Lodge of Des Moines to the degree of a Master Mason.

Trojan lodge, No. 548, Marion, has elected and installed the following officers for 1902: Oscar M. Boyles, W. M.; Chas. Keller, S. W.; Jacob Kocher, J. W.; J. B. Smalley, Treas.; H. A. Stearns, Sec.

Crescent lodge, No. 25, installed the following officers for 1902: J. B. Miller, W. M.; G. S. Pettit, S. W.; J. J. Rubek, J. W.; A. L. Sylvester, Secretary; Taylor Carpenter, S. D.; A. J. Frazine, J. D.; Frank Filip, S. S.; Z. Farr, Tyler.

Palestine Lodge, Detroit, 739 members, had a reunion December 6, at which 505 of them sat at the banquet table together.

The plans for the new $30,000 Masonic Temple at Marshalltown are well under way.

The *Acacia* of Nebraska reports as "contemptible" the *Michigan National Masonic Review* for trying to "hornswaggle" the craft into paying for a paper for which they never subscribed.

Pennsylvania resumes relations with Washington, and all other jurisdictions might well do so.

If the action of that lodge at El Paso, Texas, where recently a sick brother was turned out of the Tyler's room in the midst of a storm, because he was from the jurisdiction of Washington, does not arouse a storm of indignation, then let the balance of that article in the *Pacific Mason* for November be read, so that a wave of shame may pass through every Southern Mason's heart at such un-Masonic hospitality as El Paso showed.

WATERLOO THE BANNER.

It was no small pleasure to be privileged to attend a communication of Waterloo lodge December 31st, at which time our young friend, J. W. Robertson, was raised to a Master Mason. Under the remarkably able direction of W. M. Bro. Martin this lodge reports for 1901:

Raised, 41; Admitted, 40.

They carry over into 1902 four entered apprentices, seventeen petitions for the degrees and two for affiliation. It is worth official notice that the non-affiliate is not allowed to go undisturbed in that town. Think of *forty admissions.*

The Royal Arch.

In the Chapter at Waterloo the prosperity of the lodge has given impetus to the Chapter. Under the direction of our Illustrious Companion G. R. Turner many exaltations have taken place and more than *five sets of three* are now on the way, among them Bro. Charles E. Pickett, Grand Exalted Ruler of the Elks.

The Council.

This paper aims to do justice to this department of Masonry and will hold open this department for all news and material of value to the Cryptic Craft.

Commanderies.

From the Grand Encampment and from several Grand Commanderies we have the notice of the Christmas Observance.

It was our privilege to join in the "Observance" with Apollo No. 26 of this city. The attendance was much increased over former years and the proceedings were intensely interesting.

Temple No. 4, Des Moines, favored us with the program of their Observance.

Waterloo and doubtless others observed the day according to the "rubric."

Mason City under E. Sir Charles H. McNider has one of Iowa's strongest Commanderies today.

Twenty per cent. of the donations made to the Louisville Encampment has been returned to the donors.

BARGAIN DATES

THE FREEMASON AND FEZ wants to figure in this bargain day business a little too. We are going to CUT HALF PRICE RATES like this. To any new or old subscribers not now indebted for subscriptions we will send this journal

Three Years for One Dollar

Provided the same is sent in on or before May 1st, 1902, our ninth anniversary. If you are on our list you must pay up what you owe before this offer counts.

Keep your eye on this column for other announcements will follow.

ONE DOLLAR for THREE YEARS

Masonic Standard proclaimed a "bargain day" for Saturday, Dec. 14th, when a cut of half was made in the price for that day only. Now we'd like to know how it worked.

A number of our long time subscribers are now fully advised with all the facts in the case and knowing the "law," please pay up.

Say, Woodruff, of the *Acacia*, what do you mean by charging us with "mistaking the Recorder of Sesostris for Hardy of Tanjier as a rough rider?" You bold bad man, if you don't behave, we'll ride across your oasis on our way to San Francisco.

The Masonic Advocate may wrestle it out as to which of them used the words "modern craft Methodism" in regard to the Iowa Grand Lodge card playing law, but this journal used "modern craft servility" for the first time in its columns in October. The Masonic Advocate is on our exchange list and if it will inform us of its missing numbers from its files we'll send them.

The Mystic Shrine.

DOWN THE LINE.

Ararat promises the "frozen face" from its outer guard to all who show old receipts. Then follows this

"Verily he doth not punish any people
until he hath first sent an apostle
to warn them."—*Koran, Surah* ix:13.

Ismalia had up a resolution to establish a sinking fund, with trustees to make the investments. To visitors they said

"Of course you will be barred
If you haven't got a card,
Without which it will be hard
To pass the outer guard."

Saladin—Charlie E. Fink says to his fellows, collection box in hand, "Cough up," and the waifers come, whoop!

Rajah looked for Potentate Rake home at their meeting December 18. Wilcomen Louie!

Pyramid was hilarious over having Imperial Phil Shaffer among them on December 10. Why not?

Algeria takes the cut for originality of illustrations for its meeting of Dec. 12th.

Syrian said through Dunholter for her December 20th meeting:

"How easy it is to remember
That your dues are due in December,
That the shortest way out
Is to turn right about,
And pay them all off in November."

Lu Lu comes out with a New Year's announcement of a full itinery for San Francisco, leaving Philadelphia June 5th, Chicago 6th, Salt Lake City 8th, arriving at San Francisco the 10th. That means El-Kahir to leave not later than June 6th.

Zem Zem had Imperial Philip with them December 11, and here's their Erie refrain:

"Home, Home, Sweet, Sweet Home,
It's a good place to stay,
If you can't get away,
There's no place like home."

Mohammed sent out their annual notice for December 10 in a barrel.

Mecca's tribute to Noble A. W. Peters comes to us, a beautiful little token of their love for their departed brother.

As we are turning in copy comes the first notice (to us) from far away Aloha Temple of Hawaii. Hail to the youngest born!

SHRINE CONFERENCE FAILED.

On Saturday, Dec. 28th, at the request of Za-Ga-Zig Temple of Des Moines the following committee met at Iowa City:

For Kaaba—Geo. L. Osborn, ——— Tabor and Senator Haywood.

For El-Kahir—E. I. Alderman, W. N. Dearborn, B. M. Cleveland, Jno. Westley Geiger.

For Za-Ga-Zig—F. O. Evans, Edmund Nichols, C. H. Austin.

Two sessions were held, a number of efforts were made to arrive at a unanimous agreement but each in turn failed of agreement.

The conference was called at the request of Za-Ga-Zig Temple, no statement of what they would ask for was given prior to the meeting and what was the only counter proposition, approaching fairness to all, was rejected by them. The matter now goes to the Imperial Council and with it will go considerable documentary material that a mutual agreement would have kept at home.

That the territory *should* be exclusive no one denies and that some way to check the installment plan methods and un-Masonic solicitations that have obtained is needed we all know. Let the Supreme Council settle this thing finally.

EL-KAHIR'S ANNUAL.

On December 11, El-Kahir held her annual meeting. All was peaceful and harmonious. There were seven novices for the ceremonial. Will N. Dearborn, of Stone City, was elected Potentate; C. P. Emerson, Chief, and Mark S. Jackson, Assistant Rabban, while the Recorder, Treasurer and High Priest were re-elected. C. O. Johnson was elected Oriental Guide. All the above are from this city. E. I. Alderman, W. N. Dearborn, Byron M. Cleveland and Jno. W. Geiger were elected representatives to the Imperial Council. The list of meetings for the year will be found elsewhere. El-Kahir has work coming for the Feb. 12th meeting.

EL-KAHIR TEMPLE SAN FRANCISCO CLUB, 1902.

The Imperial Council meets in San Francisco June 10th, 1902, and we're getting ready for the trip right now. The fare for the round trip is guaranteed to be less than $50, with a possible small addition to return via some other route. If you are going send your $2.50 to the Recorder as your receipt number will decide your right to first choice, etc.

From the Grand Recorder of New York, K. T., we have copies of their amendments to their "Templar Hand Book," which are suggestive of the saving of much time and some money to the Imperial Council if instead of a new book each year these posters are sent out.

Those who contemplate the trip to San Francisco, Cal., in June next should note the fact that the Imperial Council meets June 10, and that we will leave several days before the event.

The *Keystone* reports that Rajah Temple, Reading, has bought the property

adjoining the Masonic Temple to build an addition. Where is their Franklin Street Temple building to figure?

November 29 was "Skeeter Day" with Mecca Temple, so Charlie Benedict stuffed Doc Ellison's grip full of "Haji" badges and with fifteen carloads of "escort" sweeps down upon Newark—in Jersey. There our Imperial Philip of Philadelphia meets them and they conferred the order of Nobility upon 156 poor sons of the sweet 'tater state. Mecca is picking up western ways. The big four were there.

The Order of Isis.

We still hold high hopes of some method of auxiliary recognition for this body of our women from the Imperial Council. Nearly every Temple in the country now confers the order by ceremonies of its own choosing, why not embody the real Isis ceremonies so far as the adoption of women be concerned. In Iowa our Crescents are held in suspense awaiting some recognition—ere long we shall encourage separate existence and energetic action.

The Scottish Rite.

We expect during the current year to give this department the prominence it deserves. To that end we intend to keep standing in our directory the names of the officers of the various bodies of the Rite in this state.

Our Illustrious Brother Charles E. Markham, Grand Secretary of Palmoni Lodge of Perfection, 14° Buffalo, N. Y., is always to the fore with his announcements.

A CORRECTION.

Our announcement (from the secular press) given in November last seems to be as usual in such cases grossly incorrect, some names given as nominated having had the Hon. 33° for years past. From Ill. Bro. R. M. J. Coleman, the only one who received the Hon. 33° in full form at the Supreme Council, we have the following list by Consistories of those elected Hon. 33°s:

Wm. M. Beardsher and F. E. Bachilder of DeMolay No. 1, Clinton.

None from Iowa No. 2, Cedar Rapids.

Peter Hepburn and R. M. J. Coleman of Des Moines No. 3, Des Moines.

W. S. Ouderdonk and Cornelius J. Brown of Zerepath No. 4, Davenport.

Ill. George Fairburn Hon. 33° was appointed acting deputy in Des Moines Consistory for the Supreme Council.

AN INQUIRY.

We are in receipt of a letter of inquiry from Ill. Bro. R. L. Day, of Melrose, Mass., calling our attention to the list of Grand Commanders as published last month. We were quoting from the "centennial address" of the Grand Commander, 1901, and on closer examination find

1. That we omitted the name of Dr. Isaac Auld, 1822.

2. That the increase of active 33°s from 9 to 33 was in 1859.

We consider this interest manifested as sufficient warrant for our announcement elsewhere regarding this Rite.

The Eastern Star.

THE O. E. S. CODE IS LAME.

Immediately following the issuance of the Revised Code of the Grand Chapter of Iowa, we editorially called attention thereto and our general criticism caused our lamented Brother Hyatt, chairman of the committee, some annoyance. Out of regard to his illness, we desisted from further discussion; but now that he has passed beyond earthly annoyances, and lest other abuses come up among us, we propose to ventilate the subject in each specific case as it comes to our notice.

Two years ago (about) Brother A. B., a Master Mason in blank lodge of blank

town after a hard fought contest was cleared of charges and a dimit issued to him from his lodge. The conditions leading up to this event involved unhappily the most ardent, if not malignant, personal differences. The brother was (is) a member of the local chapter of the Eastern Star. One of the aggressive prosecutors of the lodge case occupied the Patron's chair in the absence of the regular incumbent. With precipitate haste and scant benefit of clergy, the brother was suspended from his chapter *because he had demitted from his lodge.* No reasonable lapse of time was given the brother to perfect his membership in another lodge—in fact the intention to prevent his affiliation in any other lodge was well known and since proven by the refusal to Maine jurisdiction—but out he must go. An appeal was taken and while the action of the local chapter was seemingly reversed *as to suspension*, the outrage against the brother is perpetrated in the name of the Grand Chapter by ordering a dimit issued, when his right to remain in the chapter could not be so assailed under a right construction of the law. With the personal facts in any particular case we have nothing *now* to do; with the principle involved we have *much to do* and ere we conclude this discussion we shall hew to the line, let the chips fall where they will. Next month we shall discuss how a Mason can cease to be a member of a particular lodge in this jurisdiction (Iowa).

We're not members of the Order for the mere pastime, nor do we propose to sit idly by and see things go at haphazard. We mean as a *has been* to be as active in the work as ever just as far as time and pen will reach.

We were sorry to disappoint the Chapter at Boone, but this is a world in which the call of duty oft interferes with the pleasure one prefers.

At Waterloo we were informed that the Chapter there is sharing in the wonderful prosperity of the Masonic family. Their increase for the past year has been over forty.

DAVENPORT, Ia., Dec. 26, 1901.

Fraternities.

The indictments against John A. Hinsey, formerly President of the Board of Control Endowment Rank K. of P., pushed into prominence by Ogden H. Fethers, were quashed by Judge Dunne of Chicago on December 23, 1901. Merry Christmas, eh?

NEW HAVEN, Conn., Dec. 17.—In the announcement that the Masonic Benefit Association, composed entirely of Masons, was to go into a receiver's hands there was startling information for its creditors, to whom it owes between $80,000 and $100,000. In the twenty-four years of its existence as a Connecticut fraternal organization it has paid out nearly $2,000,000. A high death rate and the inability of the directors to secure new members brought on the crash. The association had a membership of about 2,000. Suit was brought this week to collect on a local death claim, which precipitated the move for the appointment of a receiver.

CHICAGO, Dec. 19.–Warrants charging embezzlement have been issued by Justice Campbell for the arrest of Alexander Baumgarten, record keeper of Humboldt Tent No. 26, Knights of the Maccabees. The action is said to follow a thorough investigation of the accounts of the accused man, disclosing a shortage of $1,787.

On Saturday, Jan. 4, there was instituted in Cedar Rapids, Ia., the first lodge on the Western Hemisphere of the Ancient Craftsmen of Tyre and Egypt, by the Sovereign Master of the Order. We shall hope to give the details next month as this *revived* Order is one having many unique and useful features.

Growing out of the quarrels of the younger Fraternities in some of our neighboring towns have now grown at least two others, neither bringing enough that is new to justify the schism.

A. M. Potter is out of the "Red Cross" and sends us the Banker's Union Herald, George Albert turns from the M. W. W. to the Court of Honor and we "old slow but steadies" are still with the A. O. U. W., see?

If ever there was a farce it was the "Iowa Fraternal Congress," an open opponent of the body they claim to auxiliarate. We don't care for the views but to hack the parent in the neck under false pretenses—bah!

Book Table and Invitations.

We acknowledge the complimentary reminder of his birthday from Bro. A. M. Rambo, of Philadelphia, Penn.:

Thy trouble light and thy sorrows few.

ASTHMA CURE FREE!

Asthmalene Brings Instant Relief and Permanent Cure in All Cases.

SENT ABSOLUTELY FREE ON RECEIPT OF POSTAL.

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails

The Rev. C. F. WELLS, of Villa Ridge, Ill., says: "Your trial bottle of Asthmaline received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-sized bottle."

We want to send to every sufferer a trial treatment of Asthmalene, similar to the one that cured Mr. Wells. We'll send it by mail POSTPAID, ABSOLUTELY FREE OF CHARGE, to any sufferer who will write for it, even on a postal. Never mind, though you are despairing, however bad the case, Asthmalene will relieve and cure. The worse your case, the more glad we are to send it. Do not delay. Write at once, addressing,
